Your Daily Transaction Limit is capped at HKD 10,000. (If you are 18 years old below, limit capped at HKD1,000)

2. Could I set my Daily Transaction Limit?

Yes, you could adjust the Smart Account Daily Transaction Limit, subject to a cap of HKD 10,000. (If you are 18 years old below, limit capped at HKD1,000)

3. Is there any cap on Smart Account balance?

The total balance of your Smart Account cannot exceed HKD10,000.

4. Could I set maximum balance cap on my Smart Account?

No.

5. Could I set my ways to top up?

Yes, apart from reloading your Smart Account via personal mobile banking, BoC Pay or other channels as specified by us from time to time, you can select one of the below top up service in case that there is insufficient balance in your Smart Account:

(i) Direct Pay: The payment amount will be first deducted from the remaining balance

in your Smart Account. If the balance in your Smart Account is insufficient to make payment, we will deduct the shortfall from your Master Account and then top up the same amount to your Smart Account to settle the payment in full.

- (ii) Automatic Top Up: You can choose a top up amount from HK\$100 to HK\$5,000 that suits your needs. Your Smart Account can only be automatically topped up once per day. Whenever your remaining balance in Smart Account is insufficient for payment, your selected top up amount will be added to your Smart Account automatically from your Master Account to settle the payment in full.
- (iii) Top Up via personal mobile banking, BoC Pay or other channels as specified by us from time to time: The payment amount will be deducted from the remaining balance in your Smart Account only. In case that there is insufficient balance in your Smart Account, the payment will not be proceeded and you have to reload your Smart Account with sufficient amount via personal mobile banking, BoC Pay or other channels as specified by us from time to time to settle the payment in full.

6. If I want to change my Master Account that has already been linked with an activated Smart Account, what should I do?

If you would like to change your Master Account that has already been linked with an activated Smart Account, you could use the 'Set up' function in Smart Account in personal mobile banking or 'Account Management' function in BoC Pay. After changing the Master Account, your original activated Smart Account would be considered closed, and BOCHK will activate a new Smart Account for your newly selected Master Account. The original Smart Account number would still be kept and used for the new Smart Account number. The remaining balance (if any) in your original Smart Account would be kept in your new Smart Account.

7. If I cannot receive an SMS OTP to verify my mobile number, what should I do?

You can request a new SMS OTP by pressing "Reissue password"

8. The SMS OTP expired, what should I do?

A SMS OTP will expire after 2 minutes. You can request a new SMS OTP by pressing "Reissue password".

9. Why is a daily transaction limit needed?

Transactions security is a prime concern of BOCHK. A Daily Transaction Limit could protect your Master Account from risks of unlimited exposure.
